

TERMS AND CONDITIONS

Programme Participation • Intellectual Property • Conduct • Legal Terms

Effective Date: January 1, 2026

Last Updated: September 7, 2026

Entity: Sariki Technologies Private Limited

1. ACCEPTANCE OF TERMS

By accessing, browsing, registering, or participating in any masterclass, webinar, delivery pod, or digital service offered by Sariki Technologies Private Limited ("Company", "We", "Us"), you agree to be bound by these legally binding Terms and Conditions ("Terms"). If you do not agree to all terms, you must immediately discontinue platform usage.

2. NATURE OF PROGRAMME & NO GUARANTEE DISCLAIMER

- **Skill-First Educational Framework:** Sariki Technologies provides software development masterclasses, 4-Gate SDLC quality frameworks, and hands-on project pod execution built on real product specifications (*FarmTally*, *Sarpanch Mitra*).
- **Zero Fake Job/Placement Guarantee:** The Company **does not** provide 100% placement guarantees, job promises, or guaranteed salary packages. Career outcomes depend entirely on individual candidate execution, sprint performance, merged GitHub pull request quality, and independent hiring partner evaluations.
- **20% Merit Pathway:** Qualification for the 20% Merit Internship Evaluation Pathway is strictly performance-driven and subject to internal pod code review assessments.

3. INTELLECTUAL PROPERTY & PROPRIETARY CODE

- **Sariki Platform IP:** All trademarks, brand logos, 4-Gate SDLC frameworks, curriculum PDF brochures, website designs, video recordings, and platform architecture are the exclusive intellectual property of Sariki Technologies Private Limited.
- **Learner Repositories:** Candidates retain ownership of original code written by them during training. However, candidates are granted a non-exclusive, revocable license to utilize Sariki sample specs and starter repositories strictly for educational and portfolio presentation purposes. Unauthorized commercial resale or distribution of Sariki proprietary course assets is strictly prohibited.

4. CODE OF CONDUCT & COMMUNITY DISCIPLINE

When participating in live webinars, WhatsApp groups, or 4-person delivery pods, users must adhere to professional engineering conduct. The Company reserves the right to terminate access without notice if a user:

1. Engages in harassment, abusive language, or disruptive behavior toward peers or mentors.
2. Shares unauthorized malicious code, malware, or credential leaks within company repositories.
3. Violates Gate 4 scope boundaries by attempting unauthorized data extraction or prompt-injection exploits against Sariki production infrastructure.

5. PRICING & PAYMENT TRANSPARENCY

- **Free Live Sessions:** Initial live webinars, diagnostic assessments, and preliminary curriculum PDF brochures are offered free of charge.
- **Detailed Program Enrollment:** Full details regarding advanced sprint enrollment options and syllabus deep-dives are provided transparently on a 1-on-1 counseling basis prior to any financial transaction.

6. LIMITATION OF LIABILITY

To the maximum extent permitted by applicable Indian law, Sariki Technologies Private Limited, its directors, officers, mentors, and incubation partners (APIS IT Incubation Centre) shall not be liable for any indirect, incidental, consequential, or special damages arising out of or in connection with:

- Temporary website downtime or server interruptions.

- Individual placement outcomes, interview rejections, or hiring partner decisions.
- Loss of data or third-party API service failures (e.g., GitHub, Claude CLI, OpenAI, Cursor).

7. GOVERNING LAW & JURISDICTION

These Terms shall be governed by, interpreted, and construed in accordance with the laws of the **Republic of India**. Any dispute, legal action, or proceeding arising out of or relating to these Terms or platform usage shall be subject to the **exclusive jurisdiction of the competent courts located in Visakhapatnam, Andhra Pradesh, India**.

8. CONTACT FOR LEGAL NOTICES

Legal communications or formal notices regarding these Terms should be sent to:
